MEMORANDUM FOR: Director of Central Intelligence

FROM : SA/IA

SUBJECT : NSPG Meeting, 7 January 1982 [ ]

25X1

1. Tomorrow's NSPG meeting, scheduled for 3:30 PM, will focus on the PRC/Taiwan/FX issue. Dave Gries has prepared a memo (same as in your Haig meeting package) on this subject. Haig plans to push for a "no sale" decision. [ ] 25X1

2. We have not yet received the papers for the meeting from the NSC Staff. I suspect that Dave's package includes most, if not all, of the relevant material. I will, of course, pass them to you as soon as we receive them. [ ] 25X1

3. You mentioned that the Poland discussion will probably continue at tomorrow's meeting, even though it is not specifically on the agenda. I will give you the latest we have on Poland about 1:00 PM tomorrow--you will have already received an update prior to your meeting with Haig. [ ] 25X1

4. You will receive also an update about noon tomorrow on the various world crises from the Operations Center. All the above will be added to this book prior to your departure for the meeting. [ ] 25X1
